Frontend Developer

CAREER OBJECTIVE

Enthusiastic fresher seeking a Frontend Developer role to apply knowledge of HTML, CSS, and JavaScript. Eager to build responsive and user-friendly web interfaces while continuously learning and growing.

TECHNICAL SKILLS

- **Frontend:** HTML5, CSS3, JavaScript (ES6+)
- **Styling:** Responsive Design, Flexbox, CSS Grid
- **Database:** SQLite (Basics)
- **Tools:** VS Code, Git, GitHub
- **MS Office:** MS Excel, MS Word, MS PowerPoint

PROJECTS

- **Portfolio** — A clean, colorful, and responsive personal portfolio website built with pure HTML, CSS, and JavaScript, with no frameworks or dependencies.
- **Student Form [HTML, CSS, JavaScript]** — Built a student registration app with validated form inputs (name, age, gender, course, email) that adds entries to a dynamic table with delete functionality.
- **Image Gallery [HTML, CSS]** — Designed a responsive image gallery with a clean grid layout for browsing a curated set of photos.
- **Booknest** — A simple, clean book-tracking web app to add books with author and description, and remove them anytime, all in the browser with no backend required.
- **Spine Segmentation using Deep Learning [Python, Deep Learning]** — Segmented spinal structures from medical images using deep learning for automated diagnosis support.
- **Water Level Indicator (IoT Based) [IoT, Embedded Systems]** — IoT-based water level monitoring system with real-time alerts when water crosses defined thresholds.
- **Driver Anti-Sleep Alarm [Embedded Systems]** — Detects driver drowsiness and triggers an alarm to prevent accidents caused by fatigue while driving.

EDUCATION

- **B.E (ECE)** — Sri Sairam Institute of Technology, Chennai | Anna University | 2020 | 7.19 CGPA
- **Senior School (XII)** — Shrishti Vidyashram School, Vellore | CBSE | 2016 | 63.8%
- **Secondary School (X)** — Vidhya Sagar Global School, Chengalpattu | CBSE | 2014 | 8.2 CGPA

CERTIFICATIONS & ACHIEVEMENTS

- Scored 73.26% in National Qualifier Test (NQT) — Oct 2020
- Achieved Eminent World Record — 'World's Biggest Hands-on IoT & Ethical Hacking Workshop'
- Attended workshop on Electronics Design & Embedded Systems
- Participated in workshop on Internet of Things

EXTRA-CURRICULAR ACTIVITIES

- Participated in Longest Relay Classical Dance Marathon (150 hrs) — Achieved Asia Book of Records, India Book of Records, Assist World Records & Tamil Nadu Book of Records
